5. Property Tax – 30 September was the last date to deposit property tax with 10% rebate. This date has been extended to 31 October. Rupees 2.5 Crore were collected from property tax till 30 September 2015.

6. National Population Register – The Union Government of India has decided to create a National Population Register (NPR) of all the 'usual residents' in the country as a first step towards creation of a National Register of Indian Citizens (NRIC). The NPR is envisaged to be an comprehensive electronic database of all usual residents in the country containing 15 fields of demographic data and the biometrics namely photograph, ten finger prints and IRIS prints. The legal basis of NPR is the Citizenship Act, 1955 and Citizenship Rules, 2003.

7. Work on NPR started with appointment of Commissioner MC as District Registrar and Joint Commissioner as Sub District Registrar. House to house survey will be done from 1 Nov to 30 Nov 2015 by enumerators who will collect details like mobile numbers, Aadhar card number etc.
